

Application and Registration for HON-490/Honors Project

HON 490 Honors Project, 3-6 credit hours

A capstone research experience of the Honors College. The student contacts the project supervisor and the Honors College Faculty Committee at the beginning of the junior year to obtain detailed information on the process for submitting a project proposal. The student may register for HON-490 only after the Honors College Faculty Committee has approved the honors project.

Prerequisite: HON-400, HON-410, or their equivalent, or consent of the Director of the Honors College.

Procedure for correct processing:

1. All of the following information must be filled in before the class will be applied to the student's record.
2. All appropriate signatures must be obtained before approval is given.
3. This form must be completed and returned to the Registrar's Office prior to the beginning of each semester in which the student is to be registered in HON-490.

Please Type or Print All Information. Complete Each Item Carefully.
